

SoCal Gas Rebate for Tankless Water Heaters FAQ

1. I just had a Noritz Tankless water heater installed where do I get a 2012 rebate application?

If your plumber is unable to provide you with a rebate application please email: rmoraga@noritz.com and leave us your name and mailing address so we can mail one out to you.

2. Do I qualify for a rebate? If so, how much is the rebate?

If you are a current Residential customer of The Southern California Gas Company and you purchased one of the qualifying heaters below you will qualify. A \$200 rebate is available for models with an Energy Factor (EF) of .90 or higher. A \$150 rebate is available for models that meet a minimum EF of .82.

Models/Series	Energy Factor (EF)	Amount of Rebate
NR50/NR66/NR71/NR83 NR98/NR111/NC199	Greater than 0.82	\$150
NRC111/NCC199 NRC98/NRC83	Greater than 0.90	\$200

3. What do I need to send in when I apply?

Please submit an original completed rebate application (no copies will be accepted) and a copy of your installation or purchase invoice.

4. Where do I send my completed application for processing?

Please send your completed application and copy of your invoice to:

Noritz America
Attn: Gas Rebate
11160 Grace Ave
Fountain Valley, CA 92708

5. How long will it take before I receive my rebate check?

Once your application is received completed please allow up to 8 weeks for us to process your gas rebate application.

6. Who will send the rebate check?

After your application has been approved you will receive a rebate check issued from Noritz America Corporation.

7. Is the application available via email or fax?

No, only original completed applications will be accepted for processing.
